## Exciting News!

Most of you know of the trouble I have keeping up with insurance billing. So, after the first of the year, starting January 2, 2006, I will open a new office in a new location:

1600 Roosevelt Street Suite A  
Mount Vernon, WA 98273

The phone number will remain the same: **360.419.7337**.

I will be moving into an office inside Mount Vernon Chiropractic Clinic. Dr. Pete Fochesato is a good friend of mine and his office staff, Shellie and Rene, are great! They are going to handle all of my scheduling and billing duties. I will still be 'The Wellman Clinic' and everything will be exactly the same, except now I will have some professional help with the billing and bookkeeping side of my business.

The building is brand new and there is a lot of parking. At first there will only be a temporary sign outside. Just walk in the front door of Mount Vernon Chiropractic Clinic and Shellie or Rene or I will be there to help you. I am very excited about the prospect of spending my time treating patients and less time on paperwork. I think this will be a great move for all.

Sincerely:  
Susan
